Dear John,

I have, for quite some time, wanted to be personally involved in making a difference in the lives of people less fortunate than we are. I have given funds to support organizations that do good work in other countries, but I still wanted to go and do more. I want to give my time and the talents and abilities God has given me. I have found such an opportunity with His Healing Hands (HHH). They are a non-profit charity who provides free medical clinics to people in under-developed countries. They have invited me to be a member of their team going to Tarapoto, Peru this fall!

His Healing Hands provides 5-day outpatient medical clinics to people in developing countries. Those clinics include free medical care, free medicines, free dental care, and an opportunity for each patient to hear the Gospel message! I will be a part of that team.

Each member of the medical clinic team is a volunteer who gives up their time to go. Each one also raises the funds needed to pay for their travel expenses and ministry expenses while in Peru. I am looking forward to joining the ministry team going to Peru and I need your partnership to get there and be a part of the medical team. I need to raise \$2,090 to pay the expenses of this ministry.

Would you please prayerfully consider partnering with me for this ministry to the poorest people in Peru? You may send your gift to HHH at 1050 Las Tablas Rd #5, Templeton, CA 93465. Please be sure to write my name and 2022 Tarapoto on the memo line. You may also give your gift at their website, [www.hishealinghands.com](http://www.hishealinghands.com). Use the Donate button at the top right of the homescreen. Select 2022 Tarapoto, Peru from the dropdown menu, then select my name from the second dropdown menu. Gifts may also be given by texting the keyword MeyerTarapoto to 805-262-8404. For each gift they will send you a receipt for you to use for tax deduction purposes.

I look forward to this ministry and how God will use me in Peru. I can't wait to get back and tell you all the wonderful ways God used us both to minister to the people of Peru!

Sincerely,
