

His Healing Hands Online Giving Tutorial

Navigate to the His Healing Hands website. From the homepage, click the Donate Now button in the upper right corner.

The donation page gives you the option to make a one-time donation or a monthly donation. You may choose one of the suggested donation amounts or fill in a different amount.

The screenshot shows the top portion of the His Healing Hands donation page. At the top left is the organization's logo and name. Below that, the heading "His Healing Hands" is displayed. Underneath, the "Your donation" section features two radio buttons: "One-time donation" (which is selected) and "Monthly donation". To the right of these buttons is a link that says "Share this campaign" followed by social media icons for Facebook, LinkedIn, and Twitter. Below the radio buttons are four buttons for suggested donation amounts: "\$25.00", "\$50.00", "\$100.00", and "\$150.00". A text input field below these buttons contains "0.00" and a dollar sign. To the right of the input field is a small link that says "What impact will this donation have?".

After indicating your donation amount and type (one-time or monthly), you will need to choose a fund for your donation. If you want to designate your donation to a specific fund, click the down arrow to see a list of specific funds from which to select.

The screenshot shows a dropdown menu for selecting a fund. The label "Fund*" is at the top left. The dropdown box is open, showing "General Fund" as the selected option with a downward arrow on the right. Below the dropdown is a paragraph of text: "When you choose to pay the processing fees, the fees paid are not tax deductible; however, they do help Zeffy to continue to provide free processing to His Healing Hands so that we receive 100% of your donation to use for ministry!".

Once you have selected your fund, you will be given the option to add a contribution to keep the Zeffy platform 100% free to His Healing Hands.

The screenshot shows the "Summary" section of the donation page. It is divided into two main parts. The top part is titled "Donation" and shows a total of "\$10.00" in blue. Below this, there is a message: "Add a contribution to keep the platform we use 100% free!" followed by a link "Learn more". To the right of this message is a dropdown menu showing "\$2.00" with a downward arrow. The bottom part of the summary is a shaded box with the label "Total" on the left and "\$12.00" on the right.

Click the down arrow to see a list of suggested contributions including the option of "Other". Use Other if you want to add a lesser contribution. If you choose not to make a contribution, fill in the Other blank with a zero.

\$3 billion.

That's how much nonprofits paid in credit card fees last year.

Zeffy is ending this.
