

## His Healing Hands Online Giving Tutorial-Credit/Debit Cards

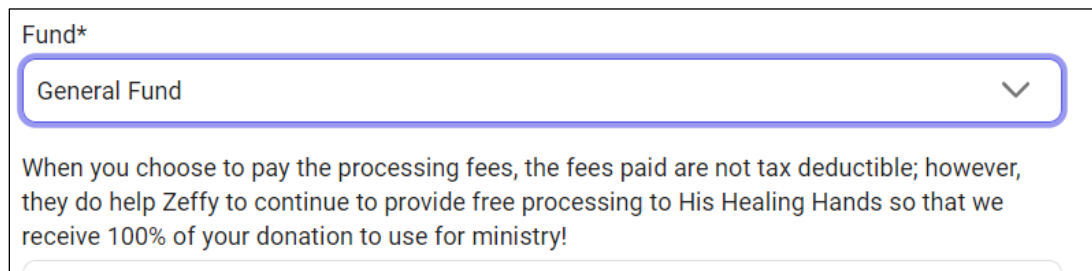

Navigate to the His Healing Hands website. From the homepage, click the Donate Now button in the upper right corner.

The donation page gives you the option to make a one-time donation or a monthly donation. You may choose one of the suggested donation amounts or fill in a different amount.

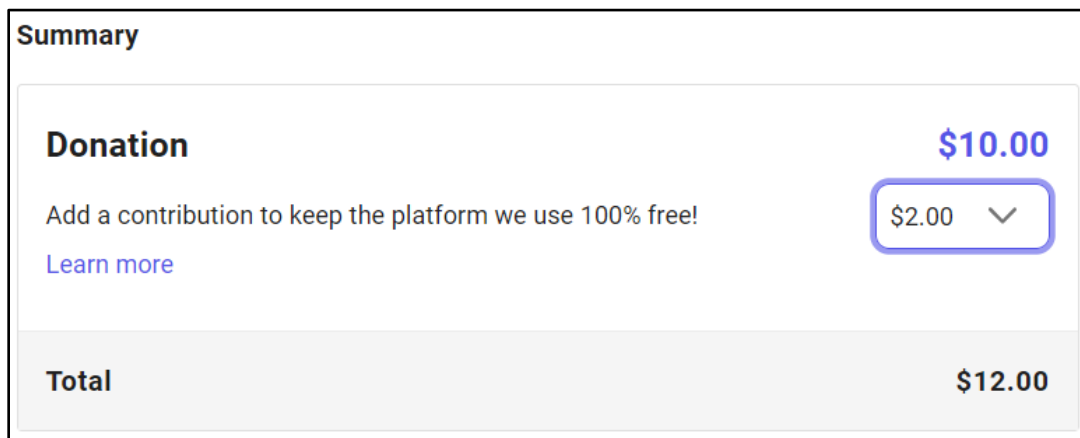

The screenshot shows the His Healing Hands donation interface. At the top left is the logo and name "His Healing Hands". Below it, the heading "His Healing Hands" is repeated. Under "Your donation", there are two tabs: "One-time donation" (selected) and "Monthly donation". To the right is a link "Share this campaign" and a button "What impact will this donation have?". Below the tabs are four buttons for suggested amounts: "\$25.00", "\$50.00", "\$100.00", and "\$150.00". To the right of these are social media icons for link, email, Facebook, LinkedIn, and Twitter. At the bottom left is a text input field containing "0.00" and a dollar sign "\$" on the right.

After indicating your donation amount and type (one-time or monthly), you will need to choose a fund for your donation. If you want to designate your donation to a specific fund, click the down arrow to see a list of specific funds from which to select.

The screenshot shows a dropdown menu labeled "Fund\*" with "General Fund" selected. Below the dropdown is a text box containing the following text: "When you choose to pay the processing fees, the fees paid are not tax deductible; however, they do help Zeffy to continue to provide free processing to His Healing Hands so that we receive 100% of your donation to use for ministry!"

Once you have selected your fund, you will be given the option to add a contribution to keep the Zeffy platform 100% free to His Healing Hands.

The screenshot shows the "Summary" section. It features a "Donation" of \$10.00. Below it, there is a text box: "Add a contribution to keep the platform we use 100% free!" with a "Learn more" link. To the right of this text is a dropdown menu showing "\$2.00" with a down arrow. At the bottom, a shaded box shows the "Total" as \$12.00.

Click the down arrow to see a list of suggested contributions including the option of "Other". Use Other if you want to add a lesser contribution. If you choose not to make a contribution, fill in the Other blank with a zero.

# \$3 billion.

That's how much nonprofits paid in credit card fees last year.

Zeffy is ending this.
