

His Healing Hands Online Giving Tutorial-Checking Account

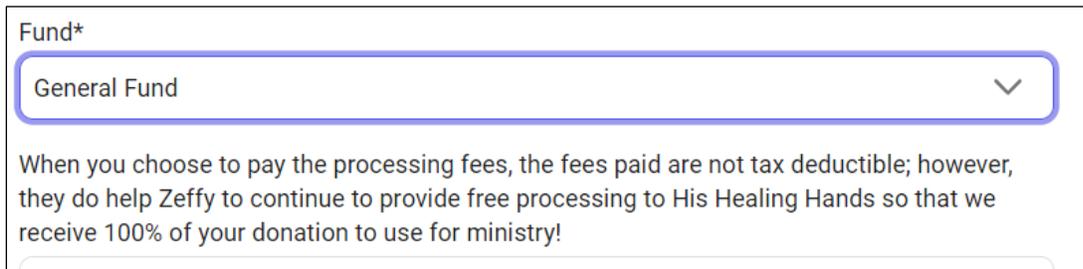

Navigate to the His Healing Hands website. From the homepage, click the Donate Now button in the upper right corner.

The donation page gives you the option to make a one-time donation or a monthly donation. You may choose one of the suggested donation amounts or fill in a different amount.

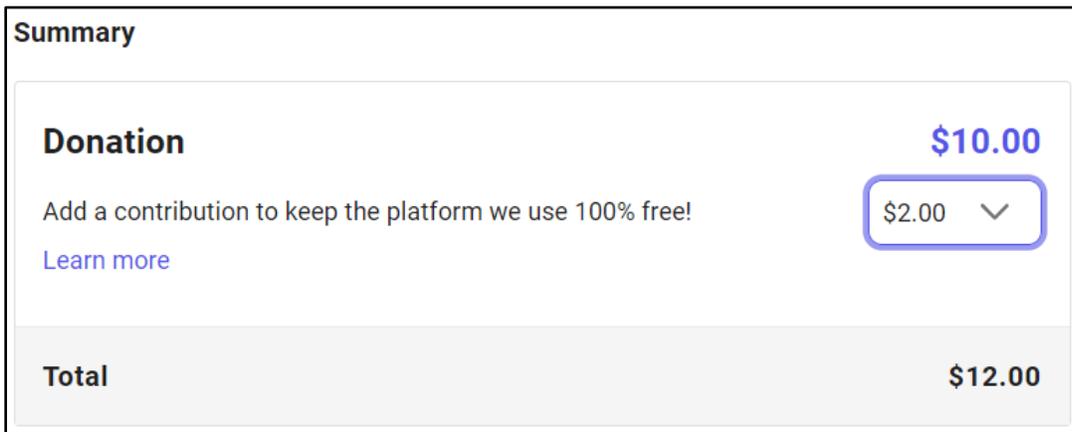

The screenshot shows the 'His Healing Hands' donation interface. At the top left is the organization's logo and name. Below that, the title 'His Healing Hands' is displayed. Underneath, the section 'Your donation' features two tabs: 'One-time donation' (which is selected) and 'Monthly donation'. To the right of these tabs is a link that says 'Share this campaign' followed by social media icons for Facebook, LinkedIn, and Twitter. Below the tabs are four buttons for suggested donation amounts: '\$25.00', '\$50.00', '\$100.00', and '\$150.00'. At the bottom left of this section is a text input field containing '0.00' and a dollar sign icon. On the far right, there is a small button that asks 'What impact will this donation have?' with a help icon.

After indicating your donation amount and type (one-time or monthly), you will need to choose a fund for your donation. If you want to designate your donation to a specific fund, click the down arrow to see a list of specific funds from which to select.

This screenshot shows a dropdown menu labeled 'Fund*'. The selected option is 'General Fund', indicated by a downward-pointing chevron icon on the right side of the dropdown box. Below the dropdown, there is a paragraph of text: 'When you choose to pay the processing fees, the fees paid are not tax deductible; however, they do help Zeffy to continue to provide free processing to His Healing Hands so that we receive 100% of your donation to use for ministry!'.

Once you have selected your fund, you will be given the option to add a contribution to keep the Zeffy platform 100% free to His Healing Hands.

The screenshot displays the 'Summary' section of the donation process. It is organized into a table-like structure. The first row is labeled 'Donation' and shows a value of '\$10.00'. Below this, there is a note: 'Add a contribution to keep the platform we use 100% free!' with a link 'Learn more' in blue text. To the right of this note is a dropdown menu showing '\$2.00' with a downward chevron. The final row, which is highlighted in a light gray background, is labeled 'Total' and shows a value of '\$12.00'.

Click the down arrow to see a list of suggested contributions including the option of “Other”. Use Other if you want to add a lesser contribution. If you choose not to make a contribution, fill in the Other blank with a zero.

If you choose to use the search option or click on the icon of your bank, be aware that this option will connect to your bank and ask you to sign in to your online banking profile to set up the donation. Using this method is the most efficient way to make your donation using your checking account.

THIS IS AN OPTIONAL METHOD. You may instead opt to enter your bank details manually. Choosing the manual option brings up a screen to enter your bank account information. Once your account is verified, your donation will be processed. This verification process takes up to 5 business days and requires additional action on your part as described on the following pages.

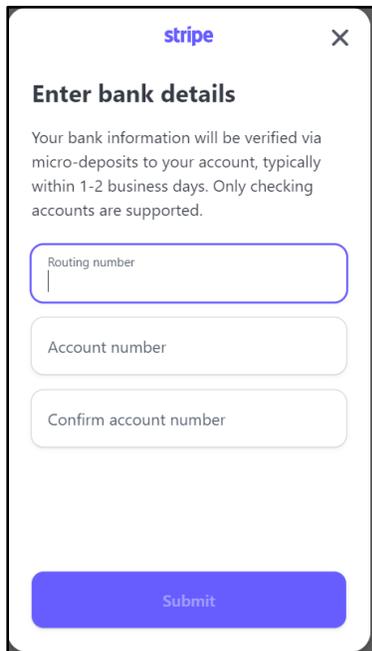

If you want to proceed with the manual process, click the link to [Enter bank details manually instead](#).
