## Generosity Fuels Transformation

Thanks to the generous support received during our 2025 Year-End Campaign, we are able to provide Bibles to new believers during our 2026 medical mission trips. On our recent trip to Hermosillo, Mexico, we met with more than 400 people. Praise God, over 30 individuals made the life-changing decision to give their lives to Christ. Because of your giving, each new believer was equipped with a Bible to guide them as they embark on their faith journey.

## Ramon's Journey: From Glasses to Grace

Among those we met was Ramon, a security guard who came to the clinic seeking new glasses. Initially, he was not interested in hearing about Jesus. However, his visit took a turn when he arrived at Louise's station, where she and her interpreter, Selene, were sharing the gospel using an evangecube. Ramon's curiosity about the cube led Selene to recount the Gospel story, showing him the various sides of the cube. When she reached the image depicting guards at the tomb, she emphasized that there were guards present, just like Ramon. This connection resonated with him deeply, opening his heart to the message of Jesus. As a result, Ramon chose to give his life to the Lord. He came in search of new glasses and left with a new life in Christ.

## A Full Circle Moment: Hannah's Growth

This trip marked our fourth visit to Hermosillo. During one of our earliest trips, Sevy Chavez met a young girl named Hannah and shared the Gospel with her using the evangecube. Hannah accepted the Lord and soon began using the evangecube herself, first demonstrating her understanding to Sevy and then sharing the Gospel with her friends.

Fast forward to January 2026, we were overjoyed to witness Hannah's continued growth. She is now an active member of her church and serves as part of the Worship team, playing bass. Reconnecting with Hannah and seeing how she has flourished in her faith was a true blessing!

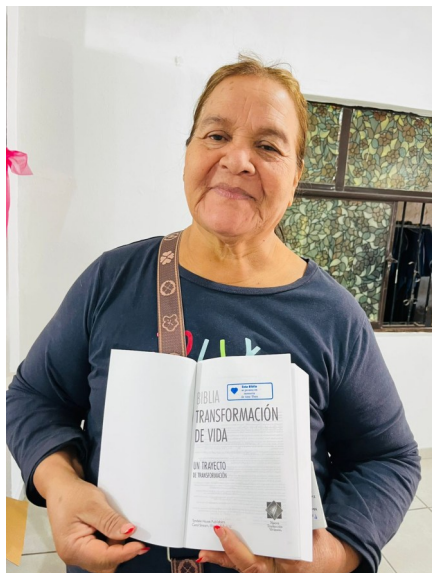

This couple both became new believers and received new Bibles.

Ramon with his new Bible.

## Others who gave their lives to Christ in Hermosillo

## Our Next Mission Trip is to Lima, Peru!

This year marks the final chapter in our five-year partnership with Iglesia Esmirna (Smyrna Church) and Pastor Pepe Selem in Lima, Peru. Over the course of this collaboration, our team has been privileged to provide medical care to thousands of individuals and witness hundreds make a commitment to faith in Christ. As we prepare for our departure on May 1st, we are filled with anticipation for a memorable and impactful closing year of ministry in Lima.

As in previous years, our team will host evangelistic medical clinics, offering much-needed health services alongside opportunities for spiritual outreach. In addition to these clinics, we are excited to introduce several sports-themed evangelistic events. This unique approach aligns with Pastor Pepe's background as a world-class power lifter and the church's dedication to engaging athletes with the gospel message. Enhancing our efforts, Pastor Wendell Mathis—a retired NFL running back—will join us to preach at these special events, bringing his testimony and experience to inspire participants.

There is still time to become a part of this important ministry team. The Lima mission trip is particularly well-suited for first-time participants due to its comfortable accommodations and easy travel, with minimal jetlag to manage. If you are unable to join us in Lima, there are four additional mission trips scheduled after Lima that you are welcome to consider.

## No Government Funding at His Healing Hands!

It has become increasingly common to see news reports highlighting NGOs that receive substantial government grants and then misuse those funds for purposes other than the ministries for which the money was originally intended.

In contrast, His Healing Hands does not seek or accept funds from the government. Our ministry is entirely supported by the generosity of individuals like you, who are committed to sharing the gospel of Jesus Christ worldwide. Every donation we receive is used directly to provide medicine, eyeglasses, Bibles, and to share the love and saving grace of Jesus with people across the globe.

If you are unable to travel and share the gospel yourself, partnering with His Healing Hands through your donations is a powerful way to help fulfill the Great Commission. Our ministry depends fully on your support and cannot operate without your partnership.

**Please consider making a donation today, either by using the envelope provided or by visiting our website.**
